**Re: United States v. Michelle Morton, et al.,
16 Mag. 2978**

Dear Judge Gorenstein:

I am the attorney assigned pursuant to the Criminal Justice Act to represent Michelle Morton on the above-referenced complaint. On May 11, 2016, Ms. Morton was presented before the Hon. Ronald Ellis and was released on a PRB of \$250,000 dollars to be secured by her own signature and that of her father and one additional Financially Responsible Person. Her travel was limited to the SDNY, the EDNY and the District of New Jersey, where she resides with her parents. In addition, her Passport was in the custody of the arresting agents and she was not to apply for travel documents.

Ms. Morton was released that evening on her own signature and subsequently her father came in and signed the bond. Judge Ellis granted Ms. Morton two weeks to obtain a co-signor however that time period will expire today. Ms. Morton is still in the process of finding a FRP to co-sign the bond, but will require an additional seven business days to get the bond co-signed.

Counsel has spoken with A.U.S.A. Brian Blaise and he informs that the Government has no objection to this application for additional time. Accordingly, counsel requests that Ms. Morton be given until the close of business on Monday, June 6, 2016 to have a FRP sign the bond.
